## O CANADA

O Canada! Our home and native land!  
True patriot love in all thy sons command.  
With glowing hearts we see thee rise,  
The True North strong and free!  
From far and wide, O Canada,  
We stand on guard for thee.  
God keep our land glorious and free!  
O Canada, we stand on guard for thee.  
O Canada, we stand on guard for thee.

O Canada! Terre de nos aïeux,  
Ton front est ceint de fleurons glorieux!  
Car ton bras sait porter l'épée,  
Il sait porter la croix!  
Ton histoire est une épopée  
Des plus brillants exploits.  
Et ta valeur, de foi trempée,  
Protégera nos foyers et nos droits.  
Protégera nos foyers et nos droits.

# CONVOCATION AT CARLETON UNIVERSITY

## HISTORY

Carleton University is unique within the Ontario university system for several reasons. It was founded in 1942, not by state or church, but through a community movement initiated by the YMCA to provide non-sectarian education for the thousands of men and women who came to Ottawa in support of the war effort. Because of these roots, Carleton has, throughout its history, attempted to meet the needs of the community by making its programs and resources widely available through innovative technologies and lifelong learning opportunities.

Today, Carleton stands among the best comprehensive universities in Canada. It is a dynamic, research-intensive university, committed to providing an outstanding learning experience for its more than 25,000 students. The University offers more than 100 majors, specializations and concentrations in areas as diverse as public affairs, journalism, art and culture, engineering, high technology, and international studies. Today's Convocation ceremony (the calling together of the academic assembly) has its roots in university traditions of medieval Europe.

## COAT OF ARMS

The coat of arms was presented to the University by His Excellency The Right Honourable Ramon John Hnatyshyn, Governor General of Canada, on November 15, 1992, as part of Carleton's 50th anniversary celebrations. It is described in heraldic terms as follows: Sable a maple leaf Gules irradiated and charged with an open

book Argent; And for a Crest: On a wreath Argent Sable and Gules a Phoenix Gules quilled and beaked Or issuing from flames proper; And for a Motto: Ours the Task Eternal; And for Supporters: on a grassy mount on either side a raven Sable beaked and membered or armed Gules.

The open book on the maple leaf signifies that Carleton University is in the nation's capital and that learning is open to all who wish to partake of it. The phoenix, the legendary eternal bird, symbolizes the renewing of learning from older

foundations, in recognition of Henry Marshall Tory's role in the founding of the University when he was 78 years old. Ours the Task Eternal is taken from a Walt Whitman poem entitled Pioneers and ties in with the eternal quality of the phoenix.

The Carleton University coat of arms therefore symbolizes sound learning, good citizenship, and the highest hopes of humanity.

## THE MACE

The mace is a staff symbolizing authority. In the days of knighthood, it was a weapon, but after the 16th century, it became solely a symbol of authority carried by a distinguished member of an assembly. It is used on ceremonial occasions to signify the right of an individual or institution to perform a certain function — in the case of universities, to grant degrees.

At Convocation, the mace is carried by the Marshall of Convocation. During the ceremony, the mace is displayed as an embodiment of the authority of the University.

Carleton's mace was presented to the University in 1976 as a gift from the Chair of the Board of Governors at that time, Mr. Hyman Soloway. It is a silver-plated staff about one metre long. At the upper end there is a bowl marked with the University's coat of arms and the University motto in Latin and English — Opera Nobis Aeterna and Ours the Task Eternal. From the upper portion of the bowl rises a phoenix. Traditional oak leaves surround the lower end of the staff.

## THE DIPLOMA

The diploma the graduates receive at Convocation is the certificate of qualification which publishes the fact that the student has fulfilled all the requirements and completed the prescribed course of study for the degree. As the senior academic legislative body of the University, it is the Senate which has determined whether the requirements have been met. The signatures of the Chancellor and the President of the University appear on the diploma: the Chancellor because of his role in conferring the degree, and the President who, as Chair of

Senate, certifies that Senate has enacted the required motion to award the degree. The Seal of the University is affixed to the diploma as a mark of authentication.

## ACADEMIC DRESS

The academic dress of Carleton University results from a compromise between that found in the ancient foundations of Britain and Canada and the American Intercollegiate Code. All three hoods — bachelor's, master's, and doctor's — are of the simple or Oxford shape. The bachelor's hood is made of black stuff. The master's and doctor's are made of black silk. All are lined with silver silk, with two chevrons, one of red and one of black. From bachelor's to doctor's, the hoods are progressively longer and opened to show more of the lining.

The velvet border of the hoods denotes the degrees granted according to the following colour combinations. In some cases a distinguishing cord is sewn slightly in from the lower border: accounting is lemon; applied science is orange with a black cord; architectural studies is hot pink with a black cord; arts is white; cognitive science is sky blue with a gold cord; commerce is camel brown; computer science is royal blue; engineering is orange; global and international studies is lilac; health sciences is firebird red; humanities is white with a red cord; industrial design is toreador red; information technology is maize including a green chevron to denote the joint degree and applied diploma from Carleton University and Algonquin College respectively; infrastructure protection and information security is sky blue with a red cord; international business is camel brown with a red cord; journalism is white with a black cord; management studies and business administration are camel brown with a black cord; mathematics is hunter green; music is pink; philanthropy and non-profit leadership is toreador red with black cord; political management is sky blue with black cord; public affairs and policy management is teal with a gold cord; science is yellow; social work is crimson; and doctor of philosophy is royal purple.

The master's and bachelor's gowns, to be worn with the above hoods, are of full length, made of black stuff, with a gathered yoke behind, and

long open-fronted sleeves. The doctoral gown is of full-style, made of fine royal blue cloth with facings of light blue silk, with a full gathered yoke behind, and closed sleeves with an opening at the elbows.

The two shades of blue in the doctoral gown are those of the United Nations, and recognize the University's long-standing interest, from its earliest years, in international affairs and issues. The colours were chosen when the University awarded its first honorary degree in 1954 to the second secretary general of the United Nations, Dag Hammarskjöld. The tradition of awarding honorary degrees to secretaries general of the United Nations has continued since that time.

The gown of the honorary Doctor of Laws, Literature, Music, Science, Engineering, Architecture or Fine Arts is a full robe with bell-shaped sleeves. It is made of fine royal blue cloth with facings and sleeves in light blue silk. The hood is made of the same material as the gown, has the same lining as that for the degrees granted by examination, and is bordered with royal purple for the degree of Doctor of Laws; vibrant blue for the degree of Doctor of Literature; pink for the degree of Doctor of Music; red for the degree of Doctor of Science; orange for the degree of Doctor of Engineering; hot pink for the degree of Doctor of Architecture; and dark cardinal for the degree of Doctor of Fine Arts.

## ALUMNI HALL

The Alumni Hall and Sports Centre opened in 2005, and serves more than 750,000 visitors every year. The new centre has tripled the usage for athletic and other activities and has doubled the size of the cardio facilities at the University. The Alumni Hall and Sports Centre, which also houses the Ravens' Nest, the home of men's and women's varsity basketball teams, welcomes graduands and their families twice a year during Spring and Fall Convocation ceremonies. The Carleton University Alumni Association donated \$2.5 million towards the construction of this exceptional facility.

## HONORARY DEGREE RECIPIENT

---

**Preston Manning, P.C., C.C., A.O.E., B.A.**

Preston Manning will be awarded the degree of Doctor of Laws, *honoris causa*, at the 9:30 a.m. ceremony on Wednesday, June 10 “in recognition of exemplary and thoughtful leadership in strengthening democracy in Canada.”

Preston Manning is the president of the Manning Centre for Building Democracy, which he founded in 2005. As a University of Alberta graduate with a Bachelor of Arts in economics, Mr. Manning spent 20 years providing consulting services to the energy industry before entering politics.

From 1993 to 2001, he served as a Member of Parliament. He formed two new political parties, the Reform Party of Canada and the Canadian Reform Conservative Alliance, both of which became the official Opposition and laid the foundation for the new Conservative Party of Canada. He also served as Opposition leader from 1997 to 2000.

Mr. Manning became a Companion of the Order of Canada in 2007 and was appointed to the Privy Council in 2013. In addition to authoring two books and numerous articles, he continues to share his expertise with Canadian universities. Currently, he is a Senior Fellow of the Fraser Institute and the Marketplace Institute at Regent College, at the University of British Columbia.

He holds honorary degrees from the University of Calgary, University of Alberta, Southern Alberta Institute of Technology, Tyndale University College, York University, and the University of Toronto.

**Diane Morrison, C.M., O.Ont., O.Ott., B.Ed., M.P.A.**

Diane Morrison will be awarded the degree of Doctor of Laws, *honoris causa*, at the 9:30 a.m. ceremony on Wednesday, June 10 “in recognition of a lifetime of service dedicated to improving the lives of homeless and marginalized people in the Ottawa-Carleton community.”

Diane Morrison was a school teacher for 15 years before becoming the executive director of the Ottawa Mission – a homeless shelter in the City of Ottawa. Ms. Morrison has revolutionized the care provided to marginalized citizens in her community. In her role as executive director of the Ottawa Mission, an organization that provides food and shelter to homeless men and women, she dramatically increased the scope of available inner-city services. Since 1991, the Ottawa Mission grew from having 75 beds to 235.

Over two decades, she founded a learning centre, a six-month residential rehabilitation centre, an on-site dental clinic, and initiated a palliative care unit connected to the shelter, the first of its kind in North America. Her dedication and innovation have made her a pillar in city-wide efforts to alleviate hardship for disadvantaged citizens.

Currently, she sits on the board of the Ottawa Food Bank. She also volunteers at a local school where she helps young children learn to read.

## HONORARY DEGREE RECIPIENT

---

### Madeleine Kētēskwew Dion Stout, B.N., M.A.

Madeleine Kētēskwew Dion Stout will be awarded the degree of Doctor of Laws, *honoris causa*, at the 2:00 p.m. ceremony on Wednesday, June 10 “in recognition of her outstanding contributions as an advocate for the rights of Indigenous peoples, health reform, health education, development of public policy, and an improved health care system for all Canadians.”

A Cree speaker born and raised on Alberta’s Kehewin First Nation, Madeleine Kētēskwew Dion Stout is a leader in the health field.

A registered nurse with a Bachelor of Nursing degree from the University of Lethbridge and a Master of Arts degree in international affairs from Carleton University, Ms. Dion Stout now serves on several Aboriginal and non-Aboriginal committees that address Aboriginal health. She is the past president of the Aboriginal Nurses Association of Canada and in 2007 was appointed to the Mental Health Commission of Canada.

A former Canadian Studies professor at Carleton, she was the founding director of the university’s Centre for Aboriginal Education, Research and Culture. She is the president of Dion Stout Reflections Inc., and adopts a Cree lens in her research, writing and lectures on First Nations health.

Her dedication to her field has earned her numerous awards, including an Assinewikamik Award from the Aboriginal Nurses Association of Canada, a Centennial Award from the Canadian Nurses Association, and a National Aboriginal Achievement Award and a Distinguished Alumnus Award from the University of Lethbridge.
