CONVOCATION AT CARLETON UNIVERSITY

HISTORY

Carleton University is unique within the Ontario university system for several reasons. It was founded in 1942, not by state or church, but through a community movement initiated by the YMCA to provide non-sectarian education for the thousands of men and women who came to Ottawa in support of the war effort. Because of these roots, Carleton has, throughout its history, attempted to meet the needs of the community by making its programs and resources widely available through innovative technologies and lifelong learning opportunities.

Today, Carleton stands among the best comprehensive universities in Canada. It is a dynamic, research-intensive university, committed to providing an outstanding learning experience for its more than 28,000 students. The university offers more than 100 majors, specializations and concentrations in areas as diverse as public affairs, journalism, art and culture, engineering, high technology and international studies.

Carleton's 75th anniversary in 2017 celebrates the university's commitment to giving back through education while pursuing contributions to the common good. These founding values are at the heart of the university's focus on research, community partnerships and teaching excellence. Carleton students, faculty, staff and alumni are motivated by a desire to make their world a better place. And as the university marks a major milestone in Canada's 150th anniversary year, we are showcasing the innovation and creativity of our collaborations. Because what's good for Carleton is good for Canada and the world. It's been a tradition for 75 years.

Today's Convocation ceremony (the calling together of the academic assembly) has its roots in university traditions of medieval Europe.

COAT OF ARMS

The coat of arms was presented to the university by His Excellency The Right Honourable Ramon John Hnatyshyn, Governor General of Canada, on November 15, 1992, as part of Carleton's 50th anniversary celebrations. It is described in heraldic

terms as follows: Sable a maple leaf Gules irradiated and charged with an open book Argent; And for a Crest: On a wreath Argent Sable and Gules a Phoenix Gules quilled and beaked Or issuing from flames proper; And for a Motto: Ours the Task Eternal; And for Supporters: on a grassy mount on either side a raven Sable beaked and membered or armed Gules.

The open book on the maple leaf signifies that Carleton University is in the nation's capital and that learning is open to all who wish to partake of it. The phoenix, the legendary eternal bird, symbolizes the renewing of learning from older foundations, in recognition of Henry Marshall Tory's role in the founding of the university when he was 78 years old. Ours the Task Eternal is taken from a Walt Whitman poem entitled Pioneers and ties in with the eternal quality of the phoenix.

The Carleton University coat of arms therefore symbolizes sound learning, good citizenship, and the highest hopes of humanity.

THE MACE

The mace is a staff symbolizing authority. In the days of knighthood, it was a weapon, but after the 16th century, it became solely a symbol of authority carried by a distinguished member of an assembly. It is used on ceremonial occasions to signify the right of an individual or institution to perform a certain function — in the case of universities, to grant degrees.

At Convocation, the mace is carried by the Marshal of Convocation. During the ceremony, the mace is displayed as an embodiment of the authority of the university.

Carleton's mace was presented to the university in 1976 as a gift from the Chair of the Board of Governors at that time, Mr. Hyman Soloway. It is a silver-plated staff about one metre long. At the upper end there is a bowl marked with the university's coat of arms and the university motto in Latin and English — Opera Nobis Aeterna and Ours the Task Eternal. From the upper portion of the bowl rises a phoenix. Traditional oak leaves surround the lower end of the staff.

THE DIPLOMA

The diploma the graduates receive at Convocation is the certificate of qualification which publishes the fact that the student has fulfilled all the requirements and completed the prescribed course of study for the degree. As the senior academic legislative body of the university, it is the Senate which has determined whether the requirements have been met. The signatures of the Chancellor and the President of the university appear on the diploma: the Chancellor because of his role in conferring the degree, and the President who, as Chair of Senate, certifies that Senate has enacted the required motion to award the degree. The Seal of the university is affixed to the diploma as a mark of authentication.

ACADEMIC DRESS

The academic dress of Carleton University results from a compromise between that found in the ancient foundations of Britain and Canada and the American Intercollegiate Code. All three hoods — bachelor's, master's, and doctor's — are of the simple or Oxford shape. The bachelor's hood is made of black stuff. The master's and doctor's are made of black silk. All are lined with silver silk, with two chevrons, one of red and one of black. From bachelor's to doctor's, the hoods are progressively longer and opened to show more of the lining.

The velvet border of the hoods denotes the degrees granted according to the following colour combinations. In some cases a distinguishing cord is sewn slightly in from the lower border: accounting is lemon; applied science is orange with a black cord; architectural studies is hot pink with a black cord; arts is white; cognitive science is sky blue with a gold cord; commerce is camel brown; computer science is royal blue; engineering is orange; global and international studies is lilac; health sciences is firebird red; humanities is white with a red cord; industrial design is toreador red; information technology is maize including a green chevron to denote the joint degree and applied diploma from Carleton University and Algonquin College respectively; infrastructure protection and information security is sky blue with a red cord; international business is camel brown with a red cord; journalism is white with a black cord; management studies and business administration are camel brown with a black cord; mathematics is hunter green; music is pink; philanthropy and non-profit leadership is toreador red with black cord; political management is sky blue with black cord; public affairs and policy management is teal with a gold cord; science is yellow; social work is crimson; and doctor of philosophy is royal purple.

The master's and bachelor's gowns, to be worn with the above hoods, are of full length, made of black stuff, with a gathered yoke behind, and long open-fronted sleeves. The doctoral gown is of full-style, made of fine royal blue cloth with facings of light blue silk, with a full gathered yoke behind, and closed sleeves with an opening at the elbows.

The two shades of blue in the doctoral gown are those of the United Nations, and recognize the university's long-standing interest, from its earliest years, in international affairs and issues. The colours were chosen when the university awarded its first honorary degree in 1954 to the second secretary general of the United Nations, Dag Hammarskjöld. The tradition of awarding honorary degrees to secretaries general of the United Nations has continued since that time.

The gown of the honorary Doctor of Laws, Literature, Music, Science, Engineering, Architecture or Fine Arts is a full robe with bell-shaped sleeves. It is made of fine royal blue cloth with facings and sleeves in light blue silk. The hood is made of the same material as the gown, has the same lining as that for the degrees granted by examination, and is bordered with royal purple for the degree of Doctor of Laws; vibrant blue for the degree of Doctor of Literature; pink for the degree of Doctor of Music; red for the degree of Doctor of Science; orange for the degree of Doctor of Engineering; hot pink for the degree of Doctor of Architecture; and dark cardinal for the degree of Doctor of Fine Arts.

ALUMNI HALL

The Alumni Hall and Sports Centre opened in 2005, and serves more than 750,000 visitors every year. The new centre has tripled the usage for athletic and other activities and has doubled the size of the cardio facilities at the university. The Alumni Hall and Sports Centre, which also houses the Ravens' Nest, the home of men's and women's varsity basketball teams, welcomes graduands and their families twice a year during Spring and Fall Convocation ceremonies. The Carleton University Alumni Association donated \$2.5 million towards the construction of this exceptional facility.

UNIVERSITY AWARDS

Founders Award

Carleton University's highest non-academic honour recognizes and pays tribute to those individuals who have made significant contributions to the advancement of Carleton University through their dedication, generosity and commitment to the values of the university.

Elder James Albert, B.Sc., M.S.W., Ph.D.

For more than five decades, Elder James Albert has been known for his dedicated service to Carleton University and his unwavering commitment to promoting Indigenous values and culture on campus, throughout the local community and beyond.

After graduating from Carleton in 1955, Elder Albert went on to pursue graduate study at Columbia University and the University of Toronto. He returned to Carleton in the 1970s and has since held several distinguished roles, including Associate Professor and Director of the School of Social Work.

Elder Albert greatly contributed to the establishment of the Centre for Aboriginal Education and Research (CEARC) and later the Centre for Aboriginal Culture and Education (CACE). He has served as presiding Elder and provided guidance on several committees, including the Aboriginal Education Council, the Task Force on Aboriginal Affairs, the Aboriginal Vision Committee, Carleton's Aboriginal Enriched Support Program, and the New Sun Conference on Aboriginal Art and Culture. And, he has authored several articles and book chapters on social welfare services, social policy and social transformation in Canada.

Board of Governors Award

The Board of Governors Award recognizes voluntary involvement in the not-for-profit sector and, as such, is intended primarily to honour non-academic work while pursuing a full-time program of study at Carleton University.

Gabriela Bernal Astrain, B.Sc.

Gabriela Astrain is graduating with an Honours Bachelor of Science (Biochemistry and Biotechnology).

Gabriela is being recognized for her significant and consistent volunteerism both at Carleton and in the Ottawa community. Her volunteerism exemplified her passion for helping others. At Carleton, she volunteered in the Science Student Success Centre (SSSC) where she played a leadership role in becoming the first co-ordinator of the Science Learning Communities and later a team co-ordinator for the Kick-Start into Science program, which she spearheaded. She has taken on challenges to create, implement, and improve the programming at the SSSC, making a difference in many lives. In the Ottawa community, she has been a consistent volunteer at the Children's Hospital of Eastern Ontario (CHEO), at Acceso International, and remains an active volunteer at her former high school. In addition to her volunteer work, she held part-time positions as a Peer Assisted Study Sessions facilitator, as a Peer Assisted Study coach in Chemistry and as a teaching assistant. Gabriela has demonstrated unparalleled leadership and has balanced volunteering - in addition to many other pursuits - with excellence in her academic studies.

Henry Marshall Tory Award

Presented annually to a graduating Carleton University student who has shown a high degree of academic achievement and has indicated an interest in the university by broad participation in extra-curricular affairs of a constructive nature pertaining to the university, the Carleton University Students' Association and the Carleton community.

Tania Gomes, B.P.A.P.M.

Tania Gomes is graduating with a Bachelor of Public Affairs and Policy Management, with a specialization in International Studies and a Minor in Law. This award recognizes Tania's balanced commitments to student life, to the Ottawa community, and to academic excellence. In addition to engaging in robust academic endeavours, Tania has embraced varied experiences outside the classroom, which have allowed her to apply her academic knowledge in the service of others. These have included: participating in community service learning activities like Alternative Spring Break & Campus to Community Days; working as team leader and co-ordinator for the Fall Orientation Program; serving as executive director of the Student Philanthropy Council and, most recently, serving as the chair of Relay for Life, which set a Canadian post-secondary institution fundraising record of more than \$125,000.

CERTIFICATE IN PUBLIC SERVICE STUDIES

(Presented by Professor André Plourde
Dean, Faculty of Public Affairs)

Terrence Michael Giles*

AFTERNOON CEREMONY

Wednesday, June 14, 2:00 p.m.

Degrees conferred at Spring Convocation are awarded by Senate in February and in June.
Degrees awarded in February are denoted by an asterisk (*)

HONORARY DEGREE RECIPIENTS

Tom Jackson, O.C., LL.D.

Tom Jackson will be awarded the degree of Doctor of Laws, *honoris causa*, at the 2:00 p.m. ceremony on Wednesday, June 14, “in recognition of his award-winning work as actor, musician, philanthropist and university chancellor.”

Recording artist to some, celebrated actor and author to others, he is extraordinarily passionate about creating change.

A bass-baritone voice for food banks, the disenfranchised, the traumatized and now an Ambassador for the Canadian Red Cross, he is Canada’s go-to “minstrel with a mission” and Renaissance man.

Jackson is known for organizing the Huron Carole, a touring Christmas-themed production which raises funds for Canadian food banks. He has been honoured with numerous accolades, including Officer of the Order of Canada, Juno and Gemini Humanitarian Awards and nine honorary degrees. He served as chancellor of Trent University from 2009 to 2013 and is a proud bearer of the 2014 Governor General’s Performing Arts Award.

Jackson is most content marching into boardrooms or shelters ready to dispense a hug and mobilize others.

Craig Oliver, O.C., LL.D., D.Litt.

Craig Oliver will be awarded the degree of Doctor of Laws, *honoris causa*, at the 2:00 p.m. ceremony on Wednesday, June 14, “in recognition of his stellar work as a Gemini-winning journalist, political commentator, news director, producer and autobiographer.”

Canada Day 2017 marks his 60th year as a national TV correspondent. He has covered wars, revolutions and politics from Ottawa to Washington, reported on 11 Canadian prime ministers and two U.S. presidents, and every Canadian election campaign since 1962.

Oliver has won two Gemini Awards, the Hy Solomon Award for Excellence in Public Policy Journalism from the Public Policy Forum, the Presidents’ Award for Excellence in Canadian Broadcast Journalism from the Radio and Television News Directors Association, the National Press Gallery’s Charles Lynch Award and the Carleton University Arthur Kroeger College Award for Public Discourse.

In 2014, he was named to the Canadian News Hall of Fame. He is an Officer of the Order of Canada and has received honorary doctorates from the University of Regina and Nipissing University.

ALUMNI ASSOCIATION WELCOME

Congratulations on obtaining your degree from Canada's Capital University, and welcome to the Carleton University Alumni Association (CUAA).
