# CONVOCATION AT CARLETON UNIVERSITY

## HISTORY

Carleton University is unique within the Ontario university system for several reasons. It was founded in 1942, not by state or church, but through a community movement initiated by the YMCA to provide non-sectarian education for the thousands of men and women who came to Ottawa in support of the war effort. Because of these roots, Carleton has, throughout its history, attempted to meet the needs of the community by making its programs and resources widely available through innovative technologies and lifelong learning opportunities.

Today, Carleton stands among the best comprehensive universities in Canada. It is a dynamic, research-intensive university, committed to providing an outstanding learning experience for more than 30,000 students. The university offers more than 100 majors, specializations and concentrations in areas as diverse as public affairs, journalism, art and culture, engineering, high technology and international studies.

Today's Convocation ceremony (the calling together of the academic assembly) has its roots in university traditions of medieval Europe.

## COAT OF ARMS

The coat of arms was presented to the university by His Excellency The Right Honourable Ramon John Hnatyshyn, Governor General of Canada, on November

15, 1992, as part of Carleton's 50th anniversary celebrations. It is described in heraldic terms as follows: Sable a maple leaf Gules irradiated and charged with an open book Argent; And for a Crest: On a wreath Argent Sable and Gules a Phoenix Gules quilled and beaked Or issuing from flames proper; And for a Motto: Ours the Task Eternal; And for Supporters: on a grassy mount on either side a raven Sable beaked and membered or armed Gules.

The open book on the maple leaf signifies that Carleton University is in the nation's capital and that learning is open to all who wish to partake of it. The phoenix, the legendary eternal bird, symbolizes the renewing of learning from older foundations, in recognition of Henry Marshall Tory's role in the founding of the university when he was 78 years old. Ours the Task Eternal is taken from a Walt Whitman poem entitled *Pioneers* and ties in with the eternal quality of the phoenix.

The Carleton University coat of arms therefore symbolizes sound learning, good citizenship, and the highest hopes of humanity.

## THE MACE

The mace is a staff symbolizing authority. In the days of knighthood, it was a weapon, but after the 16th century, it became solely a symbol of authority carried by a distinguished member of an assembly. It is used on ceremonial occasions to signify the right of an individual or institution to perform a certain function — in the case of universities, to grant degrees.

At Convocation, the mace is carried by the Marshal of Convocation. During the ceremony, the mace is displayed as an embodiment of the authority of the university.

Carleton's mace was presented to the university in 1976 as a gift from the Chair of the Board of Governors at that time, Mr. Hyman Soloway. It is a silver-plated staff about one metre long. At the upper end there is a bowl marked with the university's coat of arms and the university motto in Latin and English — Opera Nobis Aeterna and Ours the Task Eternal. From the upper portion of the bowl rises a phoenix. Traditional oak leaves surround the lower end of the staff.

## THE EAGLE STAFF

The Eagle Staff is sacred to many Indigenous peoples. It represents the strength and resilience of Indigenous communities and is traditionally carried by someone who has served their community in combat, in leadership or spiritually. In 2013, Indigenous students at Carleton were gifted an Eagle Staff with ribbons and eagle feathers representing First Nation, Métis and Inuit learners. Since then, the staff is carried by an Indigenous student and leads the procession during Convocation. This acknowledges that Carleton University is situated within the unceded and unsundered territories of the Algonquin Nation.

## THE DIPLOMA

The diploma graduates receive at Convocation is the certificate of qualification which publishes the fact that the student has fulfilled all the requirements and completed the prescribed course of study for the degree. As the senior academic legislative body of the university, it is the Senate which has determined whether the requirements have been met. The signatures of the Chancellor and the President of the university appear on the diploma: the Chancellor because of his or her role in conferring the degree, and the President who, as Chair of Senate, certifies that Senate has enacted the required motion to award the degree. The seal of the university is affixed to the diploma as a mark of authentication.

## ACADEMIC DRESS

The academic dress of Carleton University results from a compromise between that found in the ancient foundations of Britain and Canada and the American Intercollegiate Code.

As well, Indigenous graduates and faculty may choose to wear traditional Indigenous attire in lieu of a gown. The hood may be carried rather than worn, depending on cultural protocols. Carleton acknowledges the diversity of Indigenous peoples, communities and nations and recognizes that traditional Indigenous attire may vary.

All three academic hoods — bachelor's, master's and doctor's — are of the simple or Oxford shape. The bachelor's hood is made of black stuff. The master's and doctor's are made of black silk. All are lined with silver silk, with two chevrons, one of red and one of black. From bachelor's to doctor's, the hoods are progressively longer and opened to show more of the lining.

The velvet border of the hoods denotes the degrees granted according to the following colour combinations. In some cases a distinguishing cord is sewn slightly in from the lower border: accounting is lemon yellow; applied science is orange with a black cord; architecture is hot pink; architectural studies is hot pink with a black cord; arts is white; cognitive science is sky blue with a gold cord; commerce is camel brown; communications and media studies is navy blue; computer science is walden blue; economics is old gold; engineering is golden poppy; entrepreneurship is palmetto green; global and international studies is lavender; health sciences is firebird red; humanities is white with a red cord; industrial design is toreador red; master of information technology is maize; bachelor of information technology is maize including a green chevron to denote the joint degree and applied diploma from Carleton University and Algonquin College respectively; infrastructure protection and information security is sky blue with a red cord; international business is camel brown with a red cord; journalism is white with a black

cord; journalism and humanities is white with black and red cord; management studies and business administration are camel brown with a black cord; mathematics is hunter green; media production and design is white with black and gold cord; music is pink; philanthropy and non-profit leadership is toreador red with black cord; political management is sky blue with black cord; public affairs and policy management is peacock with a gold cord; public policy and administration is peacock with a black cord; science is Spanish yellow; social work is crimson; and doctor of philosophy is royal purple.

The master's and bachelor's gowns, to be worn with the above hoods, are of full length, made of black stuff, with a gathered yoke behind, and long open-fronted sleeves. The doctoral gown is of full-style, made of fine royal blue cloth with facings of light blue silk, with a full gathered yoke behind, and closed sleeves with an opening at the elbows.

The two shades of blue in the doctoral gown are those of the United Nations, and recognize the university's long-standing interest, from its earliest years, in international affairs and issues. The colours were chosen when the university awarded its first honorary degree in 1954 to the second secretary general of the United Nations, Dag Hammarskjöld. The tradition of awarding honorary degrees to secretaries general of the United Nations has continued since that time.

The gown of the honorary Doctor of Laws, Literature, Music, Science, Engineering, Architecture or Fine Arts is a full robe with bell-shaped sleeves. It is made of fine royal blue cloth with facings and sleeves in light blue silk. The hood is made of the same material as the gown, has the same lining as that for the degrees granted by examination, and is bordered with royal purple for the degree of Doctor of Laws; vibrant blue for the degree of Doctor of Literature; pink for the degree of Doctor of Music; red for the degree of Doctor of Science; orange for the degree of Doctor of Engineering; hot pink for the degree of Doctor of Architecture; and dark cardinal for the degree of Doctor of Fine Arts.

## ALUMNI HALL

The Alumni Hall and Sports Centre opened in 2005, and serves more than 750,000 visitors every year. The new centre has tripled the usage for athletic and other activities and has doubled the size of the cardio facilities at the university. The Alumni Hall and Sports Centre, which also houses the Ravens' Nest, the home of men's and women's varsity basketball teams, welcomes graduands and their families twice a year during Spring and Fall Convocation ceremonies. The Carleton University Alumni Association donated \$2.5 million towards construction of this exceptional facility.

During his tenure, he helped transform the faculty into one of Carleton's flagship programs with new and innovative programming and substantial research facilities.

He also served as Acting Provost and Vice-President Academic ('06) and President and Vice-Chancellor, pro tempore, ('06-'08). He left Carleton briefly to become the fifth Chancellor of the University of Sharjah (UAE) before returning to Carleton as Professor Emeritus with the Faculty of Engineering and Design ('15).

**Frohan Foroutan, *B.Econ.***

First in her family to attend university, Foroutan is graduating with a Bachelor of Economics (Honours) with a double concentration in Economic Theory and Mathematics and Quantitative Economics.

She contributed immensely to Carleton University both in terms of academics and volunteerism. For the better part of a decade, she mentored, coached, taught, tutored and guided her peers to academic success through a variety of programs on campus, including the Paul Menton Centre for Students with Disabilities, the Enriched Support Program, First Year Connections and Bounce Back Program. Through these programs, Foroutan dedicated 10 hours a week to mentoring and supporting marginalized and at-risk students, including first-in-the-family students, international students, cancer patients, mature learners and students with disabilities.

The Board of Governors was impressed by Foroutan's dedication to her peers' academic success, as well as her ability to maintain a high academic standing while studying in her fourth language. The Board noted her exceptional compassion, determination and unparalleled leadership.

## **MORNING CEREMONY**

---

Wednesday, June 12, 9:30 a.m.

Degrees conferred at Spring Convocation are awarded by Senate in February and in June.  
Degrees awarded in February are denoted by an asterisk (\*).

## HONORARY DEGREE RECIPIENT

---

**Robert Slater, C.M., Ph.D.**

Robert Slater will be awarded the degree of Doctor of Laws, *honoris causa*, at the 9:30 a.m. ceremony on Wednesday, June 12, “in recognition of his distinguished career in the Public Service of Canada, spearheading initiatives for the protection of the air and water and inspiring a new generation of Canadians to environmental leadership.”

Dr. Slater is an Adjunct Professor in the School of Public Policy and Administration at Carleton University, where he is also Executive Director of the Regulatory Governance Initiative.

During a 32-year career with Environment Canada, he occupied a number of senior positions, including eight years as Senior Assistant Deputy Minister.

He was instrumental in establishing the National Roundtable on the Environment and the Economy, the International Institute for Sustainable Development and the United Nations University Institute for Water, Environment and Health.

He played a lead role in renegotiating the Great Lakes Water Quality Agreement, Acid Rain agreements with provincial governments, the Canada-U.S. Accord on Air Quality, and the Green Plan.

Dr. Slater also led preparations for Canada’s role at the UN Conference on the Environment (“Earth Summit”) in Rio de Janeiro in 1992. He was responsible for legislative initiatives leading to the Canadian Environmental Protection Act and the Species at Risk Act, and led the development of regulations limiting lead in gasoline and bringing auto emissions standards in line with those in the United States.

He chaired the International Joint Commission’s Great Lakes Water Quality Board from 1976 to 1982.

After he left the public service, he founded a consulting company in sustainable development which operated internationally and was a member of the National Roundtable on the Environment and the Economy for six years. Before joining the public service, he was co-founder of Pollutech, an environmental consulting company.

## AFTERNOON CEREMONY

Wednesday, June 12, 2:00 p.m.

Degrees conferred at Spring Convocation are awarded by Senate in February and in June.  
Degrees awarded in February are denoted by an asterisk (\*).

## HONORARY DEGREE RECIPIENT

---

**Christina Louise Logue, Nursing DPL, CAC, FFT, M.O.M., O. Ont.**

Christina Louise Logue will be awarded the degree of Doctor of Laws, *honoris causa*, at the 2:00 p.m. ceremony on Wednesday, June 12, "in recognition of her outstanding contributions and leadership in achieving change in the social, health and economic conditions of Indigenous peoples, and at-risk children, youth, and families."

A justice of the peace, Logue has worked for the Ottawa Police Service since 1994. She is a proud nurse of Algonquin heritage who is recognized provincially, nationally and internationally as a mental health and crime reduction expert.

She has researched, developed and implemented early identification and early intervention strategies for police services and educators. Many of these are on an international scale, resulting in lower victimization rates and increased quality of life.

She has developed many community-based programs, including Project Early Intervention, which helps young people who are at risk of being recruited by street gangs. She also developed and implemented a substance abuse treatment program for incarcerated youth.

Logue obtained a Certificate in Chemical Dependency Counselling and her studies in behavioural pharmacology complement her accomplishments as a Certified Addictions Counsellor, Certified Functional Family Therapist, and court-approved street drugs expert.

She says her proudest titles are "mom" and "nana."

She has dedicated her time in the remote northern Quebec community of Chisasibi, helping doctors and nurses who work in the community, which is troubled by substance abuse and suicide.

She has served as manager of the Ottawa Police Service Youth Strategy Office and was director of the National Intervention/Diversion Program with the RCMP.

She received the Governor General of Canada Order of Merit, Order of Ontario, Queen's Diamond Jubilee Medal for Public Service, Quality of Life Award, and Woman of Distinction Award.
