O CANADA

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

O Canada! Terre de nos aïeux,
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l'épée,
Il sait porter la croix!
Ton histoire est une épopée
Des plus brillants exploits.
Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits.
Protégera nos foyers et nos droits.

CONVOCATION AT CARLETON UNIVERSITY

HISTORY

Carleton University is unique within the Ontario university system for several reasons. It was founded in 1942, not by state or church, but through a community movement initiated by the YMCA to provide non-sectarian education for the thousands of men and women who came to Ottawa in support of the war effort. Because of these roots, Carleton has, throughout its history, attempted to meet the needs of the community by making its programs and resources widely available through innovative technologies and lifelong learning opportunities.

Today, Carleton stands among the best comprehensive universities in Canada. It is a dynamic, research-intensive university, committed to providing an outstanding learning experience for its more than 28,000 students. The University offers more than 100 majors, specializations and concentrations in areas as diverse as public affairs, journalism, art and culture, engineering, high technology, and international studies. Today's Convocation ceremony (the calling together of the academic assembly) has its roots in university traditions of medieval Europe.

COAT OF ARMS

The coat of arms was presented to the University by His Excellency The Right Honourable Ramon John Hnatyshyn, Governor General of Canada, on November 15, 1992, as part of Carleton's 50th anniversary celebrations. It is described in heraldic terms as follows: Sable a maple leaf Gules irradiated and charged with an open

book Argent; And for a Crest: On a wreath Argent Sable and Gules a Phoenix Gules quilled and beaked Or issuing from flames proper; And for a Motto: Ours the Task Eternal; And for Supporters: on a grassy mount on either side a raven Sable beaked and membered or armed Gules.

The open book on the maple leaf signifies that Carleton University is in the nation's capital and that learning is open to all who wish to partake of it. The phoenix, the legendary eternal bird, symbolizes the renewing of learning from older

foundations, in recognition of Henry Marshall Tory's role in the founding of the University when he was 78 years old. Ours the Task Eternal is taken from a Walt Whitman poem entitled Pioneers and ties in with the eternal quality of the phoenix.

The Carleton University coat of arms therefore symbolizes sound learning, good citizenship, and the highest hopes of humanity.

THE MACE

The mace is a staff symbolizing authority. In the days of knighthood, it was a weapon, but after the 16th century, it became solely a symbol of authority carried by a distinguished member of an assembly. It is used on ceremonial occasions to signify the right of an individual or institution to perform a certain function — in the case of universities, to grant degrees.

At Convocation, the mace is carried by the Marshal of Convocation. During the ceremony, the mace is displayed as an embodiment of the authority of the University.

Carleton's mace was presented to the University in 1976 as a gift from the Chair of the Board of Governors at that time, Mr. Hyman Soloway. It is a silver-plated staff about one metre long. At the upper end there is a bowl marked with the University's coat of arms and the University motto in Latin and English — Opera Nobis Aeterna and Ours the Task Eternal. From the upper portion of the bowl rises a phoenix. Traditional oak leaves surround the lower end of the staff.

THE DIPLOMA

The diploma the graduates receive at Convocation is the certificate of qualification which publishes the fact that the student has fulfilled all the requirements and completed the prescribed course of study for the degree. As the senior academic legislative body of the University, it is the Senate which has determined whether the requirements have been met. The signatures of the Chancellor and the President of the University appear on the diploma: the Chancellor because of his role in conferring the degree, and the President who, as Chair of

Senate, certifies that Senate has enacted the required motion to award the degree. The Seal of the University is affixed to the diploma as a mark of authentication.

ACADEMIC DRESS

The academic dress of Carleton University results from a compromise between that found in the ancient foundations of Britain and Canada and the American Intercollegiate Code. All three hoods — bachelor's, master's, and doctor's — are of the simple or Oxford shape. The bachelor's hood is made of black stuff. The master's and doctor's are made of black silk. All are lined with silver silk, with two chevrons, one of red and one of black. From bachelor's to doctor's, the hoods are progressively longer and opened to show more of the lining.

The velvet border of the hoods denotes the degrees granted according to the following colour combinations. In some cases a distinguishing cord is sewn slightly in from the lower border: accounting is lemon; applied science is orange with a black cord; architectural studies is hot pink with a black cord; arts is white; cognitive science is sky blue with a gold cord; commerce is camel brown; computer science is royal blue; engineering is orange; global and international studies is lilac; health sciences is firebird red; humanities is white with a red cord; industrial design is toreador red; information technology is maize including a green chevron to denote the joint degree and applied diploma from Carleton University and Algonquin College respectively; infrastructure protection and information security is sky blue with a red cord; international business is camel brown with a red cord; journalism is white with a black cord; management studies and business administration are camel brown with a black cord; mathematics is hunter green; music is pink; philanthropy and non-profit leadership is toreador red with black cord; political management is sky blue with black cord; public affairs and policy management is teal with a gold cord; science is yellow; social work is crimson; and doctor of philosophy is royal purple.

The master's and bachelor's gowns, to be worn with the above hoods, are of full length, made of black stuff, with a gathered yoke behind, and long open-fronted sleeves. The doctoral gown is of full-style, made of fine royal blue cloth with facings of light blue silk, with a full gathered yoke behind, and closed sleeves with an opening at the elbows.

The two shades of blue in the doctoral gown are those of the United Nations, and recognize the University's long-standing interest, from its earliest years, in international affairs and issues.

The colours were chosen when the University awarded its first honorary degree in 1954 to the second secretary general of the United Nations, Dag Hammarskjöld. The tradition of awarding honorary degrees to secretaries general of the United Nations has continued since that time.

The gown of the honorary Doctor of Laws, Literature, Music, Science, Engineering, Architecture or Fine Arts is a full robe with bell-shaped sleeves. It is made of fine royal blue cloth with facings and sleeves in light blue silk. The hood is made of the same material as the gown, has the same lining as that for the degrees granted by examination, and is bordered with royal purple for the degree of Doctor of Laws; vibrant blue for the degree of Doctor of Literature; pink for the degree of Doctor of Music; red for the degree of Doctor of Science; orange for the degree of Doctor of Engineering; hot pink for the degree of Doctor of Architecture; and dark cardinal for the degree of Doctor of Fine Arts.

ALUMNI HALL

The Alumni Hall and Sports Centre opened in 2005, and serves more than 750,000 visitors every year. The new centre has tripled the usage for athletic and other activities and has doubled the size of the cardio facilities at the University. The Alumni Hall and Sports Centre, which also houses the Ravens' Nest, the home of men's and women's varsity basketball teams, welcomes graduands and their families twice a year during Spring and Fall Convocation ceremonies. The Carleton University Alumni Association donated \$2.5 million towards the construction of this exceptional facility.

UNIVERSITY AWARDS

Founders Award

Carleton University's highest non-academic honour recognizes and pays tribute to those individuals who have made significant contributions to the advancement of Carleton University through their dedication, generosity and commitment to the values of the university.

J. Spruce Riordon, *B.Eng., M.Eng., Ph.D., D.I.C., F.E.I.C.*

J. Spruce Riordon joined Carleton in 1968 and has been a valued member of the community ever since. During 32 years of dedicated service, he has held several key positions, including chair of the Department of Systems and Computer Engineering, dean of the Faculty of Engineering and Design, and vice-president (Finance and Administration). Within the broader community, he carried out research and consulting, and served on the governing board of the National Research Council. He has been a visiting professor at Imperial College, London, and the Technical University of Vienna.

He and his family established the Riordon Family Scholarship, providing Carleton engineering students with full tuition to support and develop future leaders. His commitment to excellence helped build the Faculty of Engineering and Design into an internationally recognized research and teaching institution.

Board of Governors Award

The Board of Governors Award recognizes voluntary involvement in the not-for-profit sector and, as such, is intended primarily to honour non-academic work while pursuing a full-time program of study at Carleton University.

Jasmine Shaw, *B.Eng.*

Jasmine Shaw is graduating with a Bachelor of Engineering degree in biomedical and mechanical engineering. She is the recipient of this year's Board of Governors Award for Outstanding Community Achievement.

Jasmine has demonstrated a range of volunteer work within her field of study and beyond, holding a number of leadership positions and creating projects that have the potential for lasting impact. This year, she served as president of the Carleton Student Engineering Society (CSES) after holding a position as vice-president for two years and as a student representative for one. During that time, she founded February Feel Good Week, which provides de-stressing activities and mental health resources to students during exam season. The project is now in its third year. She also created the Student Ambassador Program to encourage high school students to pursue engineering. Jasmine has worked as a project co-ordinator for the Carleton University Crash Test Dummy Project, was a student representative on Senate, a Paul Menton Centre note-taker, and a student delegate at leadership conferences. Beyond Carleton, she has volunteered with a number of Ottawa festivals, balancing it all with a strong academic record.

Henry Marshall Tory Award

Presented annually to a graduating Carleton University student who has shown a high degree of academic achievement and has indicated an interest in the university by broad participation in extra-curricular affairs of a constructive nature pertaining to the university, the Carleton University Students' Association and the Carleton community.

Charles McIvor, *B.P.A.P.M.*

Charles McIvor is graduating with a Bachelor of Public Affairs and Policy Management with a Specialization in Social Policy and a Minor in Economics. Charles is receiving the award for his commitment to student life and the Ottawa community while demonstrating academic excellence. In student leadership positions, he raised nearly \$200,000 for the annual Shinerama, Relay for Life and Movember campaigns. He served as a fall orientation co-ordinator; an executive member of several student clubs; a summer orientation ambassador; and participated in community service activities such as Alternative Spring Break. Outside the classroom, Charles has applied his academic knowledge to better his community. As part of a co-op program, he worked as a junior analyst at the Science, Technology and Innovation Council. He also worked with peers to produce a report for the City of Ottawa on food security which will help improve access to nutritional and affordable food for low-income families.

MORNING CEREMONY

Friday, June 10, 9:30 a.m.

Degrees conferred at Spring Convocation are awarded by Senate in February and in June.
Degrees awarded in February are denoted by an asterisk (*)

HONORARY DEGREE RECIPIENTS

Bonnie M. Patterson, C.M., O.Ont., B.A., M.L.S., ICD.D.

Bonnie Patterson will be awarded the degree of Doctor of Laws, *honoris causa*, at the 9:30 a.m. ceremony on Friday, June 10 "in recognition of her leadership and service to Trent University and to all universities in Ontario as she guided them through changing times and built a strong network of shared vision."

A champion of higher education and a role model for women in leadership, Bonnie Patterson is recognized for many firsts in the university sector.

She obtained a B.A. and M.L.S. from Western University and joined its faculty. At Ryerson, she moved into academic administration and was the president's special adviser during transformation to full university status. She was the first woman dean of business in Canada. After 11 years as the longest-serving president and vice-chancellor of Trent, she served nine years as president and CEO of the Council of Ontario Universities.

She has won the Order of Canada, Order of Ontario, Queen's Diamond and Jubilee medals and recognition in the Top 100 Most Powerful Women in Canada.

John Daniel O'Leary, B.A., LL.D.

John Daniel O'Leary will be awarded the degree of Doctor of Laws, *honoris causa*, at the 9:30 a.m. ceremony on Friday, June 10 "in recognition of his lifelong commitment and leadership in advancing literacy among marginalized and underserved communities and his service to the unique educational opportunity offered by Frontier College."

Born in Toronto, he studied history and political science at Carleton while playing linebacker for the Ravens football team.

He spent a year studying with the Jesuits, teaching in schools in Chicago and Winnipeg, and he lived with the L'Arche community, assisting people with special needs. After teaching literacy in an Ontario prison, he joined Frontier College as a literacy teacher in Manitoba prisons. He then joined the Frontier staff and, in 1990, was appointed president of the organization. His goal was to recruit university students across Canada as literacy tutors for disadvantaged and oppressed people.

He now works in development at Teach for Canada and serves on the boards of the Christian Resources Centre and the Toronto Native Friendship Centre.

She has been on the Board of Governors at Carleton University, president of the Ottawa Estate Planning Council and the Ottawa School of Art, and a board member of the United Way and numerous other associations. She currently serves as a director of the Shorefast Foundation, HUB Ottawa, the Telus Ottawa Community Board and Match International Women's Fund.

His work is in the collections of many major art museums across Canada and the globe, such as the National Gallery of Canada and the Museum of Modern Art in New York.

In 1967, he co-founded what is known today as CARFAC (Canadian Artists Representation/le front des Artistes Canadiens), which is the national voice of Canada's professional visual artists.

He served as an artist in residence and then as a professor in the Department of Fine Art at the University of Waterloo from 1960 until 1999.

He was named to the Order of Canada in 1995 and received the Governor General's award for Visual Arts in 2009.

Ms. Urquhart has received the Marian Engel Award and the Harbourfront Festival Prize, and is a Chevalier dans l'Ordre des Arts et des Lettres in France and an Officer of the Order of Canada.

She has been writer-in-residence at the University of Ottawa and Memorial University. She also held the Presidential Writer-in-Residence Fellowship at the University of Toronto. ALUMNI ASSOCIATION WELCOME

Congratulations on obtaining your degree from Canada's Capital University, and welcome to the Carleton University Alumni Association (CUAA).

With your remarkable achievement today comes membership in a thriving club — a dynamic organization of more than 140,000 people living and working around the world who all share a proud connection with this university. This network can help you realize your dreams, open doors around the world, and connect you to your alma mater.

This is a day for celebration, but it also presents an opportunity for reflection. As you savour your accomplishment, take a moment to look back on your years at Carleton. Remember the ideas that challenged you, the professors who inspired you, and the lifelong friendships you have made. You will treasure these wonderful Carleton memories for the rest of your life.

On behalf of your Alumni Association, congratulations on reaching this milestone. Welcome to the CUAA — we're here to help you as you embark on a happy and successful future.

Jay Nordenstom, *B.A.*
President, Carleton University Alumni Association
